

At the Hairdressers

Red Room have been very busy being hairdressers this week. Red Room learnt about colour mixing by combining different colours together to see what colours they could make. They then used these colours to create their own hair-styles.

Red Room also had fun using the wool stuck to a cardboard box to have a practice at cutting hair. They liked seeing which different lengths they could cut the wool to, including short, medium and long.

Red Room used shampoo and water to wash the babies hair. They had great fun keeping the babies hair sparkling and clean!

Children's comments:

- "I wash baby, I keep baby clean" - Josiah
- "I make my hair" - Jayden
- "It's so short, I cut it" - Marina
- "I give her red hair" - Holly
- "I painted a hairband for her" - Salsabeel
