

Run, run, as fast as you can, you can't catch me, I'm the gingerbread man!

This term, Red Room have been learning all about the story of the *Gingerbread Man*. Red Room made their own gingerbread by mixing flour, butter, sugar, cinnamon, ginger and golden syrup. They put the ingredients into a bowl and combined them together to make mix by singing "I like to mix it, mix it!" Once the dough was ready, the children used rolling pins to flatten the dough and then used gingerbread shaped cutters. They added currents for eyes and buttons and then popped them in the oven to bake. They were so yummy!
