

# Celebrating Chinese New Year in Yellow Room

Over the past two weeks, we have been celebrating Chinese New Year. We have done a variety of activities such as exploring Chinese writing as we wrote to the Pirates because they went to China to celebrate Chinese New Year. We also read the Chinese story and did animal prints from the Chinese story on red envelopes. We counted special gold coins into the money envelopes.

We made lanterns practicing our cutting skills and making red marks onto the paper through marble painting.

We also use chopsticks in noodle play / red fine sand to make marks in different media.

We learnt a new song called: "Here comes the Dragon". We did some dragon dancing whilst listening to different music from China.

At lunch time we also had a special Chinese meal that Blessing had cooked for us.
